# CRYSTAL RIG WIND FARM COMMUNITY BENEFIT FUND

**The aim of the scheme**

Crystal Rig Wind Farm has established a community benefit fund as part of their ongoing commitments to communities in the vicinity of the wind farm. The purpose of the fund is to enable communities to carry out improvements to their local area in any sphere, including the environment, local amenity or tourism.

**Money available**

Each year, the wind farm sets allocates an amount of money to the community council, who then administer its disbursement to the community. The total amount of money is based on the installed capacity of the wind farm, and is currently index linked to inflation. This is shared in agreed proportions amongst the four community councils involved in the project, which are Cockburnspath, Cranshaws, East Lammermuir and Abbey St Bathans.

**Project proposals**

Consideration will be given to all types of project, which will benefit the local community, and permission to proceed will be granted for ideas, which successfully fulfil the aim of the scheme. Applications will be dealt with on receipt, however please ensure that you have the relevant quotes or permissions to avoid any delay in processing.
