CRYSTAL RIG WIND FARM COMMUNITY BENEFIT FUND

The aim of the scheme

Crystal Rig Wind Farm have established a community benefit fund as part of their ongoing commitments to communities in the vicinity of the wind farm. The purpose of the fund is to enable communities to carry out improvements to their local area in any sphere, including the environment, local amenity, or tourism.

Money available

Each year, the wind farm sets allocate an amount of money to the community council, who then administer its disbursement to the community. The total amount of money is based on the installed capacity of the wind farm and is currently index linked to inflation. This is shared in agreed proportions amongst the four community councils involved in the project, which are Cockburnspath, Cranshaws, East Lammermuir and Abbey St Bathans.

Project proposals

Consideration will be given to all types of projects, which will benefit the local community, and permission to proceed will be granted for ideas, which successfully fulfil the aim of the scheme. Applications will be dealt with on receipt, however, please ensure that you have the relevant quotes or permissions to avoid any delay in processing.
